DETAILED ACTION

1. The information disclosure statement (IDS) submitted on 4/19/04 and 1/22/04 were filed after the mailing date of the present application. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Claim Objections

2. Claims 1-6 are objected to because of the following informalities:

Claim 1, line 9, "as lease" should read as -- at least --

Appropriate correction is required.

Claim Rejections - 35 USC § 112

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

4. Claims 34-35 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 34 depends on claim 92 (as typed) which is not disclosed in the application.

"claim 92" should read as "claim 31" (or claim 32)

Claim 35 therefore is rejected as it depends on claim 34.

Allowable Subject Matter

5. Claims 7-33, and 36-54 are allowed.

Art Unit: 2824

6. Claims 1-6 would be allowable if rewritten or amended to overcome the objection(s) set forth in this Office action.

7. Claims 34-35 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Art Unit: 2824
